

VAN MAHOTSAV CELEBRATION

When we plant trees, we plant the seeds of peace and the seeds of hope.

Our Little Flowers Public School, Yamuna Vihar celebrated Van Mahotsav, an annual festival dedicated to promoting the significance of trees and forests in our ecosystem, on 6th July, 2023. This is a time when our Headmistress ma'am, teachers and students come together to emphasize the importance of trees and encourage tree planting to conserve our environment.

Class wise activities were conducted such as role play, slogans essay writing and poster making. These activities sparked the creativity of our Little Florians making them raise awareness about the importance of trees in our lives.

The series of events in the morning assembly were role play, enchanting poems, motivational speech, a mesmerizing song on tree plantation and a group dance on Haryali Mahotsav. Our headmistress Miss Vimmi Jain Ma'am provided students with valuable insights and motivated them to become responsible stewards of the environment.

Our management praised the students for their efforts and lively participation in the Assembly.
